## Par-Q & You

- Have you ever been diagnosed with a heart condition which restricts your physical activity?  
  - Yes  
  - No
- Do you feel any chest pains when taking part in physical activity?  
  - Yes  
  - No
- In the past month, have you felt any chest pains whilst not taking part in any physical activity?  
  - Yes  
  - No
- Do you lose your balance because of dizziness or do you ever lose consciousness?  
  - Yes  
  - No
- Do you have a bone or joint problem that could be made worse by a change in your physical activity?  
  - Yes  
  - No
- Is your doctor currently prescribing medication for your blood pressure or heart condition?  
  - Yes  
  - No

If you answered yes to one or more questions, please speak to your doctor before starting any physical activity. If you answered no to all the questions, you can be reasonably sure that you will become more physically active.

Delay becoming much more active if:

1. You are not feeling well because of temporary illness such as a cold or fever.
2. You are pregnant

I understand that it is my responsibility to inform the fitness centre staff if my health status changes.

Note: if your health changes and need to answer yes to any of the above questions, please ask for advice from a health and fitness professional.
